Subject: [External] hi!

Tate! It was so good seeing you today! Hope the rest of the week goes well.
I wanted to connect you with Laura Vaught, who was previously with EPA in the Leg Affairs shop and then I believe moved in to a policy role. Regardless, she has a wealth of knowledge all things EPA leg affairs.

Laura, Tate is a friend who is now at EPA and thought that you two should chat and compare notes. I'll let you take it from here!

Talk to you both soon!
Allison
